

ABCOPAD On-line Giving

Donate To ABC Missions On-line

Through a contract with Cashlinq, a company that processes on-line financial transactions, we are able to offer an opportunity to support Regional ministry through on-line donations.

How does on-line giving work?

Cashlinq is a company that offers ministries the ability to process on-line financial transactions. ABC-USA and the American Baptist Credit Union (now Christian Community Credit Union) developed a relationship with Cashlinq and through this relationship, Cashlinq is able to offer services to related ministry organizations at a discounted rate.

Cashlinq maintains a secure web site where on-line financial transactions take place. The company also handles each individual's financial information adhering to strict guidelines set forth by the federal government. **Cashlinq will maintain and secure credit card or electronic check information for individual donors.**

Cashlinq has an excellent reputation, a proven history and currently services many ministries and organizations including:

Cashlinq Customers

Cashlinq is proud to serve small to large business and organizations throughout the country including:

ABC-USA, Campus Crusade for Christ, 49 Degrees North, Evangelical Christian Credit Union, Family Life, Full Gospel Baptist Fellowship, Good Steward Books, Promise Keepers, Willow Creek Association, Wycliffe Bible Translators, Youth with a Mission (YWAM)

All financial contributions are processed by Cashlinq and then deposited into our Christian Community Credit Union account for our distribution to your intended ministry recipients. We pay a monthly fee for this service and a small transaction fee for each donation.

Why is this being offered?

We recognize the growing number of people who want to contribute to ministry via their credit card or other electronic banking vehicles. It is our hope that this tool will make it easier for these individuals to support ministries they feel are important.

Why do I need to submit my email address and create a password?

We need an individual's email address to be able to send a confirmation receipt of your gift. All other information collected is also necessary to process your on-line transaction. Currently the password helps identify you in the Cashlinq system. The password allows Cashlinq to recognize who you are and save you from re-entering all your contact information. If you forget your password you can simply create a new password and re-enter your contact information. In the future it will be important to remember your password, as new software, currently in the development stage will offer donors a chance to look at a history of their giving on-line.

Does my church get mission credit for my on-line donation?

Yes. If you include your church's pin number (Contact your Minister, your Area Minister or a Regional Staff Member for that number) your church will receive credit for your gift. Enter your church's pin number in the Donor ID field.

Can I give to any American Baptist Ministry I choose?

Not yet. We are still learning to use this system. To avoid mistakes we are currently only accepting contributions to our 5 major annual offerings as well as United Missions,

	ABCOPAD Regional Offering
	United Missions
	America For Christ
	One Great Hour of Sharing
	World Mission Offering
	Retired Ministers and Missionaries Offering

If there is a specific category under one of the five major offerings, list that specific item in the comments section of the on-line donation form. For example, a contribution could be made to One Great Hour of Sharing and in the comments section of the form a donor could include "Hurricane Katrina Relief Effort". In the event that the specified category is not one recognized by the system your gift will be applied to the General Offering selected on the on-line donor form. As we become familiar with this new tool we will expand the choices available for donations. Thank you for your patience as we learn and grow together.

Will I receive a hard copy receipt of my donation for tax purposes?

Yes. A hard copy receipt will be sent to you. Receipts will be sent shortly after the close of each months' Missions processing cycle, usually concluding around the 8th of each month.

Who do I call if I have questions?
