

*To Build Healthy Partnerships
with Churches, Pastoral Leaders,
and the Wider ABC Family
to Fulfill Christ's Mission in our
World.*

We all could use a little help now and then. When something isn't quite right, we know it, and so we seek the assistance and advice of some who's been there, who can provide a different perspective, a different take on things. This is especially important when we know those persons we reach out to really care. Such is the attitude and role of the region staff with our regional ministry associates working alongside our churches and their pastors in their areas of strength, education, experience, and expertise.

Does your church have a WORKING PLAN for EVANGELISM? If not, your ABCOPAD staff can help you with this...

by providing *Got Style?*© evangelism training so sharing personal faith in Christ is both natural and normal, based on personality. It is definitely NOT a one-size-fits-all program.

Does your church have a WORKING PLAN of ASSIMILATION (growing people closer to each other) and DISCIPLESHIP (growing people closer to the Lord)? If not, your ABCOPAD staff can help you with this...

by providing equipping for personal spiritual formation and congregational spiritual transformation with emphasis on individual and corporate prayer.

Does your church have a WORKING PLAN for MENTORING and MOBILIZING lay leaders? If not, your ABCOPAD staff can help you with this...

by providing clergy coaching, leadership training, board consultations, guidelines for restructuring, and even closure conversations. There is also our Academy for Christian Training and Service (ACTS) to train laity to serve in your own congregation or be called as pulpit supply or as pastors for other churches.

Does your church have a WORKING PLAN for STEWARDSHIP to support ministry inside the walls and missions outside the walls? If not, your ABCOPAD staff can help you with this...

by providing budget review, recommendations, funding ideas, and information about our Foundation.

Does your church have a WORKING PLAN to be MISSIONAL (relevant and relational) with the community in which God has placed you? If not, your ABCOPAD staff can help you with this...

by providing trainings to engage your context in both service and servant ways; being the hands and feet of Jesus, by raising awareness of the presence of your church in the community while also raising awareness of the needs in your community.

Your generous gifts allow ABCOPAD to provide all these resources and so many, many more, including new churches, demographic studies, church assessments, vision formation, congregational transformation, facilities consultations, pastoral search assistance, credentialing, interim placement, retreats, conflict mediation, mission trips here at home and abroad, as well as direct disaster relief, to all our more than 300 churches.

Thank you in advance for your gifts to **ABCOPAD-Partners in Ministry**. Your gifts make all the difference in the world in the life of our region.
